COURSE OVERVIEW

This nationally recognised management course has been designed for those who are responsible for leading others, be it individuals, teams or whole organisations. Time is spent analysing your own personal values, what motivates you, and your personal leadership style. Important leadership topics are covered in-depth, including effective time management and people management, providing direction, dealing with difficult individuals and circumstances, and leading change.

The key principles of leadership and management are developed and practically applied in this highly engaging course. Participants will develop new leadership skills as well as gaining a deeper insight into their own style of leadership.

WHO SHOULD ATTEND?

This training is designed for any Managers, Team Leaders & Supervisors working in an operational or administrative environment or who are responsible for the day to day management of people and/or teams.

Those new to management or leadership roles will especially benefit from this course, as will anyone wanting to manage their own time, stress and workplace relationships more effectively.
