PREREQUISITES & ENTRY REQUIREMENTS

There are no prerequisites for this Diploma.

START DATES & COSTS

You can start the Diploma of Aviation (Aviation Management) at any time by enrolling in any available course date for a course that contributes to the Diploma. Courses do not need to be completed in a particular order.

The cost of the Diploma of Aviation (Aviation Management) can be calculated by adding up the cost of each course you need to take to achieve the 24 units of competency for this Diploma. This cost could vary if you have completed previous courses with Southpac Aerospace or another training provider, where the correct units of competency have been achieved.

Payment is not taken as part of the course enrolment process, however an invoice will be issued to you on enrolment, so it is important that you have the necessary approvals to complete a course before enrolling.

DELIVERY & ASSESSMENT

The Diploma of Aviation (Aviation Management) can only be completed through Southpac by attending the required facilitated courses in our Live Learning Virtual Classroom, or Face-to-Face (if available), as well as the Online Self-Paced units.

Training and assessments are competency-based. Examinations are conducted through open-book and both theory and practical exercises. Participants are required to attend all units, workshop-based classes and activities – in full. Any additional activities and modalities are designed to improve the applicability to industry and work.

WHY SOUTHPAC AEROSPACE?

Specialists in Aviation Safety & Quality

Each of our courses is delivered by a professional with vast aviation experience to ensure you receive current, relevant and informative training that will benefit both yourself and your organisation.

Above and Beyond

The quality of our training is second to none. However we also pride ourselves on our level of service – providing flexible, valuable and timely support to our students and clients.

Stepping Stone Approach

Southpac offers three unique but interconnected Diplomas to enhance and improve your career opportunities. By completing the Diploma of Quality Auditing (12 units), you can use several of these units towards the Diploma of Leadership & Management (12 units), which can be completed with just one more Southpac course. These units also contribute to the Diploma of Aviation (Aviation Management) which requires 24 units of competency. By completing these Diplomas with Southpac, you can gain more qualifications in less time.
